**Re: SCE&G Petition for Updates and Revisions to Schedules Related to the  
Construction of a Nuclear Base Load Generation Facility at Jenkinsville,  
South Carolina - Docket No. 2016-223-E**

Dear David:

On behalf of The Electric Cooperatives of South Carolina, Inc. and Central Electric Power Cooperative, Inc. we request an extension of time of one week for all parties to submit proposed Orders in this docket. Presently the deadline is Friday, November 4. We request an extension to Friday, November 11, 2016. All parties have been consulted and none oppose the request. We understand that the Commission is on a tight timetable for making a decision in this matter and we do not make this request lightly. Nevertheless, we think the extension will ultimately be beneficial to the Commission as well as the parties. Please let us know if there are any questions about this request or if any additional information is required.

Yours truly,

ROBINSON, MCFADDEN & MOORE, P.C.
